Vancouver Dance Theatre is a non-profit production company established for and dedicated to the encouragement and promotion of the practice and appreciation of dance among the residents of Southwest Washington and the Portland, Oregon metropolitan area. For more than thirty years, thousands of dancers have participated in the Theatre's semi-professional productions. The benefit to our young dancers and the community is very positive.

It is our goal to:

- Create performance opportunities in a semi-professional environment for young dance students of varying ages and abilities.
- Encourage dancers from all local studios to audition. Every child who auditions and commits to attending rehearsals is cast in a role.
- Provide local youths with activities that will keep their minds and bodies healthy, strong, and focused. Participants will build confidence, learn the importance of teamwork, and create lasting memories.
- Use professional dancers and choreographers in the training and instruction of our participants.
- Strive to incorporate young local artists in all aspects of show production (music, art, dance, drama, technical fields).
- Promote cultural enrichment in our community by producing affordable, quality performances that appeal to audience members of all ages.

Vancouver Dance Theatre produces two shows a year. The Nutcracker is a very popular beginning to the holiday season and costs about \$45,000 to produce. The Spring production costs about \$25,000 to produce. The expenses associated with these productions include rental fees, contracts, printing, costumes/props, and publicity.

You are invited to become a part of this worthy cause. Your financial contribution will provide continued opportunities for Vancouver area dancers to perform. As a Patron of the Arts, your name will be listed for one full year in the program for each of the Theatre's productions as an acknowledgement of your contribution.

All contributions are tax deductible and 100% of your generous gift supports the Theatre's productions. For more information, visit us on-line at:
